

JCB-OFAC-50V

SILENT 50L OIL-FREE VERTICAL AIR COMPRESSOR

Keep workshop inflation, blow cleaning, second-fix nailing and light spray tasks moving without giving up valuable floor space. Part of the JCB Silent Pro range, the JCB-OFAC-50V combines 300L/min (11CFM) air displacement with a 50L vertical steel receiver, a twin-cylinder oil-free pump driven by a 1500W (2HP) 4-pole low-speed brushless motor, up to 8 bar pressure and a regulated Euro outlet for compatible air tools and accessories.

1.5m Cable

50L Capacity

86db (A) Sound level

3 Year Warranty

Specification

Model	JCB-OFAC-50V
Tank Capacity	50L
Drive Type	Direct drive
Rated power	1500W / 2 HP
Motor Speed	1450rpm
Voltage	230V
Maximum Pressure	8 bar / 116psi
Sound Pressure Level	86 db(A)
Power Cable	1.5m
Net weight	32kg
Assembled dimensions (H x W x L)	710 x 440 x 740mm
